

**A931A**

High-Efficiency,  
Single-Stage  
Gas Furnaces

QUALITY MEETS ENERGY-SAVING PERFORMANCE IN A FURNACE YOU CAN COUNT ON FOR YEARS TO COME.

# BUILT FOR LIFE. YOURS.

**AIREASE**<sup>®</sup>

Built for life. Yours.

AIREASE

Decades of expertise that  
help you save money.

Engineered for high reliability and efficiency, an **A931A** furnace keeps you warm all winter, while helping you **save every month** on your utility bills. It's the kind of performance you might expect from a product built on 80 years of expertise, testing and research in home comfort. It's why industry experts and homeowners alike choose AirEase.™

## Inside the design of an AirEase **A931A** furnace:

### **EHX™ Technology:**

Every AirEase furnace is engineered and built with EHX Technology, a patented design that eliminates the hot spots that can shorten furnace life. EHX Technology makes heat exchangers more durable, and with its advanced airflow system, more air contacts the heat exchanger surface area for greater heat exchange, enhancing efficiency and comfort.

### **Quiet Combustion™ Technology:**

Uses a smaller Btu input per burner for quieter start-up and operation while providing more even heat distribution.

### **Internal Monitoring:**

Your AirEase **A931A** furnace's electronic control system prolongs system life by continuously monitoring internal components for optimum performance and fault prevention.

### **Dual-Fuel**

The combination of a gas furnace and an electric heat pump pairs two energy sources for the perfect balance of energy efficiency and comfort.

## The advanced features of the AirEase **A931A** work together to bring you:

### **CRAFTSMANSHIP**

**Precision-engineered EHX and Quiet Combustion Technology components** inside the **A931A** add to the furnace's exceptional warmth, quiet and reliability.

### **EFFICIENCY**

Designed to deliver energy-saving comfort, the **A931A** offers efficiency ratings of up to 93% AFUE, which can **save you hundreds of dollars every year on your utility bills.** (See back cover for an estimate of annual energy savings.)

### **COMMITMENT**

AirEase's dedication to a better product is backed by a Limited Lifetime Warranty on the aluminized steel heat exchanger and a 10-Year Limited Warranty on parts.\*

Performance you can feel.  
And see every month on your utility bills.

### PRECISE PERFORMANCE

Single-speed, direct-drive motor provides a consistent flow of warm air to maintain even temperatures throughout your home. An electronic control system built into the A931A enhances comfort by controlling furnace functions with the highest degree of digital accuracy.

### EFFICIENCY

The A931A has an AFUE of up to 93%, meaning it converts a full 93% of your fuel into usable heat. This means you can keep your home warm and cozy, while still saving energy all winter long.

### 5-YEAR ENERGY SAVINGS\*\*

Savings versus less-efficient AFUE units

## The AirEase™ A931A furnace. The choice for long-lasting performance.

Choose an AirEase **A931A** furnace for your home and get lasting quality and efficiency, backed by a long tradition of excellence in heating and cooling. Choose the product that's best for your family's needs—a quality AirEase furnace that's **BUILT FOR LIFE. YOURS.**

**AIREASE**

Built for life. Yours.
